## TO OUR PATRONS

We have carefully arranged prices in this list for each, ten, and one hundred lots, so as to be fair to both the small and large purchaser.

Prices are for regular grade of No. 1 stock of size specified. We reserve the privilege of charging extra for stock personally selected by customer, or for trees of extra heavy caliper, for scarce sorts, or long list of varieties.

One to ten trees or plants at each rates. Ten to fifty at ten rates. Fifty or more at one hundred rates.

Stock will be boxed, baled or crated, and delivered at freight or express office at Painesville, Ohio, in good condition without extra charge, purchaser to pay freight and express charges. We will furnish estimates on freight or express charges when requested. Small fruits and other plants can be sent by mail, in which case the postage will be added to bill. Strawberry plants should always be forwarded by express.

We have aimed to give description of size and grade that will be easily understood. Would be pleased, however, to give any further information wanted by correspondence.

We are growers of nursery stock with thirty years experience and have over two hundred acres of land devoted to the business. We have a large, modern cellar for storage, equipped with convenience for grading, packing and handling nursery stock with the least possible exposure and greatest dispatch.

## TIME TO PLANT

Nursery stock can be shipped and planted any time during the dormant season from October 1st to May 1st, when weather is favorable.

## GUARANTEE

Prices quoted do not cover risk of transplanting, which loss, if any, of right should be borne by the purchaser, who only can control the conditions after delivery; or any guarantee as to nomenclature. We agree, however, that to the best of our knowledge the varieties shall be true to label, and as evidence of good faith, we will replace, free of charge, any stock that proves untrue to label.

## TERMS

Our usual terms are one-half cash with order, balance before shipment or C. O. D. To parties known to us to be reliable and of good credit standing, we will book orders and ship for prompt remittance on receipt of order.
